

Crosspointe Yard Sale

Held on a Saturday in the Fall (typically September)

8 am to 2 pm

SC Crew families set up tables in the Silverbrook Elementary School Parking Lot

This is a great opportunity to earn quite a bit of money towards the rower's fundraising commitment. In previous years, some families raised their entire fundraising commitment (\$600) at the Crosspointe Yard Sale!

Plan to be there 7:00 - 7:30 am to get everything set up. Note that early-birds start arriving at that time! At the conclusion of the sale, if you have items that did not sell and you don't want to take them home, a truck from AMVETS will arrive to pick them up.

Some Tips for Maximizing Your "Receipts" at the Yard Sale

- For unusual items or items that are fairly valuable, consider searching eBay or using Google to compare prices. You can bring a print off showing the price that similar items are commanding online to reassure buyers and help you price appropriately.
- Bring a table or two to display your items and don't forget a chair for yourself!
- You'll need plenty of singles for making change. It's easy to run out, so be prepared.
- Clearly mark the prices on items.
- Consider having a "bargain" box with little odds and ends, 3 for \$1, 2 for 75 cents, etc.
- The cleaner and more presentable the items look, the more likely they are to sell.
