

# Scrip Fundraising Program

Scrip is a great way to pay for crew by doing what you already do - shop! By simply planning ahead, you can earn money towards your fundraising commitment!

## WHAT IS SCRIP?

Scrip is a “gift certificate” (or “gift card”) exactly the same as the ones which you buy at your favorite stores to send to others as gifts. You purchase the scrip at its face value, just as you do at the store. The difference is that when you purchase scrip through our program, a rebate (based on the amount of scrip your purchase and from which retailer) is sent directly to SC Crew and is credited against your fundraising obligation.

You can purchase scrip for yourself, family members or friends.

**Please note that rebates are provided on only those gift certificates purchased through this SC Crew program.**

## PARTICIPATING RETAILERS

There are more than 400 different retailers to choose from. Included on the list are grocery stores, gas stations, phone companies and more! Each retailer provides a rebate on your scrip purchase; the amount varies by retailer. (rebates range from 2% to 22%!)

To see an up-to-date list of retailers and an overview of the scrip program, go to: [www.glscrip.com](http://www.glscrip.com).

You will not be able to log in, but you can access everything necessary to understand the scrip program and its potential to raise money for our team.

Retailers are constantly being added and the retailer list is updated daily. In addition special offers often become available, especially before the holidays. Check the Scrip web site often so you don't miss out!

## GETTING STARTED

**You must fill out an enrollment form to participate.** Please fill out and sign the form and turn it in with your first order. (Not required for subsequent orders).
