

# REGATTA DAY SANDY RUN ROWING CENTER

## PARKING AT SANDY RUN

- Parking costs \$10 per car. Late arrivals will have a longer walk to the race viewing area.
  - o Rowers can be dropped off or picked up at Sandy Run without cost. Drivers pay \$10 when they enter and then receive their \$10 back when they leave. (as long as time between entering and leaving is not too long).
- Note that SC Crew has arranged for a free shuttle bus between Silverbrook School and Sandy Run. See separate info sheet.

## ARRIVAL TIME

- Rowers meet at Sandy Run on Saturday, at a time to be announced a few days before each regatta.
- **Coxswains have an EARLY meeting and need to plan on being at Sandy Run by 7:30 (this is before the TJ bus starts running so Parents will have to drop Coxswains off at Sandy Run).**

## FAMILY VIEWING OF RACES

- When you come to watch the race, allow plenty of time to get to the grandstands....about a mile walk from the parking lot, a beautiful but hilly walk.
- There is a shuttle van service from the parking lot to the grandstand, for \$1 each way.

## WRAP-UP TIME

- Irrespective of when specific rowers are scheduled to compete, all members of the SC Crew team are expected to remain at Sandy Run until the end of competition.
  - o Support other SC Crew rowers
  - o Help put boats away
  - o Shut down "Hospitality tent" and remove food / drink items
  - o Perform any other tasks requested by Operations Director, Coaches or Captains.
