

SANDY RUN REGATTA **SHUTTLE BUS SERVICE**

SC Crew has agreed with Thomas Jefferson Crew to share school bus shuttle service to/from Sandy Run for Saturdays regattas. Those SC Crew parents and rowers who took advantage of this service last year have indicated that it was worthwhile.

- Parking at Sandy Run is tight. If you do not show up early, you park far away.
- Parking at Sandy Run was \$10 per car last year.
 - Note that you can drop off and pick up people (e.g. rowers) at Sandy Run throughout the day without cost; you pay the \$10 to get in to the Park and then get the \$10 back if and when you leave within 30 minutes.
- Shuttle bus service is FREE to SC rowers and families / friends. SC Crew Board has negotiated a share of the cost with TJ Crew and has paid this out of the crew budget.
- Several days before each regatta, our Coaches will determine and communicate report and wrap-up times based on start times of SC races and when cox's need to report for morning briefing. Crew families will then be able to make decisions on how and when to take advantage of the shuttle bus versus need to drive or drop off rowers and / or spectators.

DETAILS

- The Shuttle bus provides continuous service between Silverbrook Elementary School (Crosspointe Drive at Silverbrook Road) and Sandy Run. The trip typically takes 10 minutes.
- The Shuttle bus leaves Silverbrook on the hour and half hour (e.g., 7:00am, 7:30am, etc) and leaves Sandy Run at quarter after and quarter before each hour (e.g., 7:15am, 7:45am, etc). There are therefore 2 round trips per hour.
- The bus driver takes a 30 minute lunch break between 12:00 and 12:30, hence no 12:00 bus from Silverbrook or 12:15 bus from Sandy Run.
- Shuttle bus service starts 2 hours before the first scheduled race and ends 1 hour after the last race. You will be informed via E-Mail or website what times this translates to each week based on that week's race schedule.

NOTE that Service will NOT be provided for the Polar Bear Regatta March 29. However, contrary to info provided earlier, it WILL be available for the Al Urquia Regatta on April 26.
